(*d*) Special grants are generally sanctioned when hard cases are brought to the notice of Ministers during their tours.

Sri A. V. NARASIMHA REDDY.—The allotment made to Ramanagaram Taluk, as per the list given, is Rs. 5,000. The Special grant granted to that taluk is Rs. 17,400. Is this inclusive of the usual grant shown in answer to (*b*) of the question ?

Sri K. HANUMANTHAIYA.—The figures are given. Rs. 5,000 is separate and Rs. 17,500 is separate.

Sri A. V. NARASIMHA REDDY.—What prompted the Govern-ment to give such a special grant to the taluk even though it has comparatively lesser population of that community ?

Sri K. HANUMANTHAIYA.—The grants are allotted according to the advice of the Depressed Class Policy Committee and the amount reserved for special grants is not distributed on population basis. It is meant for special cases and hard cases which come to the notice of the Government.

Sri A. V. NARASIMHA REDDY.—In distributing these grants to every District, what is the policy they follow ?

Sri K. HANUMANTHAIYA.—The policy is to give grants on the basis of the special requests made.

Sri A. V. NARASIMHA REDDY.—Has it not come to the notice of the Government that the policy of indefinit-eness without taking into consideration the population actually and thereby giving grants like this is causing unrest ?

Sri K. HANUMANTHAIYA.—No, because, out of Rs. 20 lakhs, only about Rs. one lakh or so is reserved for special grants. The rest is distributed on the basis of population. The special grant, as the very name denotes, is meant for special interests. It is earmarked for that purpose. The rest of the amount is distributed, as the Hon'ble Member has suggested, on population basis.

Sri A. V. NARASIMHA REDDY.—Has it not come to the notice of Government that even in hard cases where houses are burnt and Special recommendation has been made to Government to give special grants, special grants are not given ?

Sri K. HANUMANTHAIYA.—No. Whenever we receive requests for rehabilitation, in cases where houses are burnt, we give special grants and if there are any such cases, the Hon'ble Member may bring them to my notice.

Sri A. V. NARASIMHA REDDY.—In Begur, Bangalore South Taluk, six houses of Harijans have been burnt very recently and recommendations to grant materials to those people have been sent to Government. Will you sympathetically consider it ?

Sri K. HANUMANTHAIYA.—Now that the budget has been passed and the distribution of amounts will take place shortly, this request will be taken into consideration.

Sri A. V. NARASIMHA REDDY.—Intimation of the allotments made to to the respective taluks is delayed to a very great extent and it is in the tail end that these intimations will reach the taluks. Will you expedite that matter ?

Sri K. HANUMANTHAIYA.—Yes. I propose to distribute the amount before the end of May. That is, after the Assembly Session is over, we will look into these matters and see that all these amounts are distributed by the end of May.

Sri B. N. BORANNA GOWDA.—Do you follow the general policy in the case of Bangalore District only ? In Davangere and other places, the amount allotted has not been spent. Is it not the general policy that the allotted amount should be spent during the year ?

Sri K. HANUMANTHAIYA.—The question relates to Bangalore District and if my friend has got the instance of Davangere in mind, I will look into it.

ಶ್ರೀ ಆರ್. ಮುನಿಸ್ವಾಮಯ್ಯ.— ಯಲಹಂಕ ದಲ್ಲಿ ಇತ್ತೀಚೆಗೆ ಕೆಲವು ದಿವಸಗಳ ಹಿಂದೆ ಹರಿಜನರಿಗೆ ಸೇರಿದ್ದ 17 ಮನೆಗಳು ಸುಟ್ಟುಹೋಗಿವೆ. ಆ ಮನೆಗಳನ್ನು ಈಗ ಅವರು ಹೊಸದಾಗಿ ಕಟ್ಟಿಕೊಳ್ಳಲು ಹಣ ಸಹಾಯವನ್ನೊದಗಿಸಲಾಗುತ್ತದೆಯೇ ?

Sri K. HANUMANTHAIYA.—If the requests are pouring in this fashion, it will not be possible for me to find money, but we shall certainly give aid to deserving cases where houses are burnt.
